

French Creek Elementary

Summer Reading Project

2021

take a
"SHELFie"

Your child makes amazing growth throughout the school year so it's important that he/she continues to read over the summer months to prevent the "summer slide". Research states that students can lose two to three months of academic growth if they do not participate in learning experiences over the summer.

Keep your child reading this summer with the French Creek Summer Reading Assignment! Students in grades K-5 will complete a "Shelfie" to be returned to their homeroom teacher next year. Grade 6 graduates are encouraged to participate in the OJR Middle School Reading Assignment. Please visit the Summer page on our website at fcreadingroom.weebly.com for additional summer reading opportunities as well as more information on the reading assignments.

Grades K-2

Students entering grades K-2 are encouraged to participate in French Creek's Summer Reading Assignment. This project is meant to be a fun way to keep your child reading this summer. Attached, you will find a picture frame for a photo and a sheet for recording books.

Directions:

- Take a photo of your child holding some of their favorite books and attach it to the frame. Your child may color the frame, or you can print it out on colored paper.
- Have your child choose two of his/her favorite books, and write them on the recording sheet. He/She should also write the topic they like to read about the best!
- Make sure your child's FIRST AND LAST NAME and 21-22 HOMEROOM TEACHER'S NAME is on each sheet so that we can print and distribute certificates accordingly.

Please have your child return his/her completed reading assignment to his/her 21-22 homeroom teacher in the fall. Participating students will receive a certificate. Have a great summer, and happy reading!
